Subject: 2017 Ohio/Kentucky State Championships Information: READ CAREFULLY

Attached you will find the information for the 2017 State Championships. This year the theme will be "Hollywood Stars"

We will have a Opening Ceremonies in the middle of the day. During this, the following athletes will be recognized:

1. All Elite Athletes
2. All HIGH SCHOOL and COLLEGE student athletes

I feel it is important to highlight not only our higher levels, but our athletes who are balancing school and sport at the high school and college levels. Hopefully this will help encourage our up and coming generations of tumblers to stay involved longer.

In addition, if you have an Elite Athlete on your team or a Graduating Senior, I will be placing a 1/2 page recognition for him or her in the program.

Please email me:

1 picture (action or head shot)

Short bio that includes: school activities, accomplishments in the sport, future plans and goals, years in T&T.

Also new this year, we will be having the BIG DAY BATTLE. The intent of this fun competition is to build our athletes relationships and to help support an education fund for our coaches and judges moving forward. As most of you know, all Cat 1 judges need to re-cert this year. I would like to help raise some funds to support our continued education.

All athletes will be split into 2 teams, Black and Gold.

Silly Synch can make up a 10 skill routine that is SAFE for them to perform. They will be scored on Synch and creativity. (Synch pairs will be placed on the same team)

Tumbling Drag racing will be a timed power hurdle, 5 back handsprings.

The 5 skill show down and two trick challenge will be judged on creativity.

Any athlete participating may compete in TWO of the events, as per time restraints.

Points will go to the "winning team." Athletes are encouraged to make posters, bring fun team apparel, and scream like crazy. If you were ever involved in a Regional All Star competition, we are basing it off that.

Team designation (Black or Gold) will be sent on March 17th.

Please let me know if you have any further questions.
